An Accident

Last Wednesday, I was going to my school on foot on the ITO Road. I was with my friend Ravi. The road was very busy because it was a rush hour. Suddenly I heard a loud noise. I looked around and found a bus moving towards the pavement. One of its tyres had burst. The driver lost control of the vehicle. The bus ran on the pavement, hit the electric pole and came to a halt. The driver and two passengers sitting in the front received minor injuries. Luckily no one was run over by the bus. Otherwise it might have been a big accident. People rushed to the bus. They helped the driver and the two passengers to get down. They were taken to a nearby hospital.
